

FUNDING ACKNOWLEDGEMENTS

All research articles should have a funding acknowledgement statement included in the manuscript in the form of a sentence under a separate heading entitled 'Funding' directly after your Acknowledgements and Declaration of Conflicting Interests, if applicable, and prior to any Notes and your References. The funding agency should be written out in full, followed by the grant number in square brackets, see following example:

This work was supported by the Economic and Social Research Council [grant number xxx].

Multiple grant numbers should be separated by comma and space. Where the research was supported by more than one agency, the different agencies should be separated by semi-colon, with "and" before the final funder. Thus:

This work was supported by the Trust [grant numbers xxxx, yyyy]; the Natural Environment Research Council [grant number zzzz]; and the Economic and Social Research Council [grant number aaaa].

In some cases, research is not funded by a specific project grant, but rather from the block grant and other resources available to a university, college or other research institution. Where no specific funding has been provided for the research we ask that corresponding authors use the following sentence:

This research received no specific grant from any funding agency in the public, commercial, or not-for-profit sectors.

Please include this information under a separate heading entitled 'Funding' directly after any Acknowledgements and Declaration of Conflicting Interests (if applicable), and prior to any Notes and your References.

Important note: If you have any concerns that the provision of this information may compromise your anonymity dependent on the peer review policy of this journal outlined above, you can withhold this information until you submit your final accepted manuscript.
